Tax Reform in Minnesota *Be part of the conversation!*

Tax reform is likely to be one of the dominant issues of the 2013 Minnesota Legislature, with both Gov. Mark Dayton and the Legislature likely to put forward significant proposals.

The Citizens League, along with the Bush Foundation, have been traveling around the state to get feedback and ideas from Minnesotans on what kind of reform they want to see. Join us for this Common Cents event to learn about what we are hearing from Minnesotans and to have a conversation about possible tax reform ideas for Minnesota.

This will be an interactive gathering, so bring your feedback and ideas as well.
